Charlie Low

Co-founder of Nohma

Ever since we've been with Hostinger, it's been amazing. We've not really had any issues at all and if we ever do have a question, their customer service is incredible.

Jack Bies

Creative director

Hostinger's Customer Success team goes above and beyond to understand my problem.

[Read the full story](#)

Jhon Ortega

Entrepreneur

I was looking for a hosting company that is very intuitive for beginners and very well-configured for good performance.

Included with every plan

Backups and snapshots

Protect your data with our automated weekly backups and create manual snapshots with ease.

Firewall and DDoS protection

Secure your virtual server every step of the way. With our Vanguard DDoS filtering and easy-to-configure firewall, you can keep any harmful traffic at bay.

99.9% uptime. Guaranteed

Our 99.9% uptime guarantee means your website is always available.

AI assistant

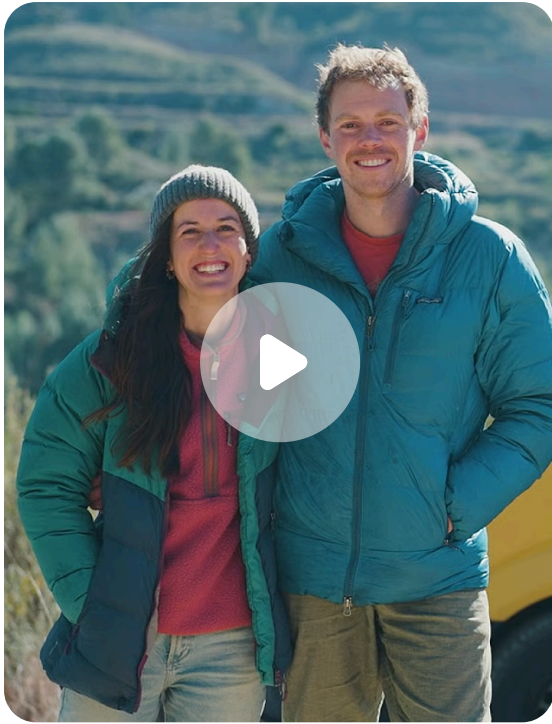

Our AI assistant simplifies VPS management, guiding you through tasks like installing WordPress or configuring firewall rules.

24/7 customer support

Access expert support whenever you need it. We typically respond in under 2 minutes and our team speak 10+ languages.
